Responsible Conduct of Engineering: Case Studies

【序言】

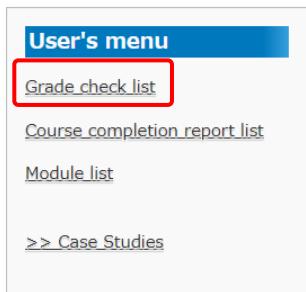

この事例集教材は、高専、大学、大学院などで開設される技術者倫理科目での使用を意図して作成されたものです。技術者倫理科目では、事例を題材に学生に議論させることがしばしば行われますが、学生に事例の詳細な情報が与えられないといと、議論が深まらないことがあります。これまでにも、技術者倫理に関係する事例集は発行されていますが、多くの事例を網羅的に紹介したものが主流で、いくつかの事例に絞って振り下げたものはありませんでした。そこで、学生の議論を盛り上げるために、個々の事例について、1回分の講義に見合う詳細な情報を提供することを意識して、この事例集は作られました。各章の章末にはディスカッション課題の例題を提示しており、講義の題材としてお使いいただけます。それぞのディスカッション課題の主要な論点についても、担当教員向けに用意されています。

3.2 Checking Study History and Past Completion Report

5 Logging in Using an Institutional Account*

*Institutional account: The account for logging in to the internal portal site of your university, etc. (institutional authentication system).

If your institution's institutional authentication system is compatible with linkage to eAPRIN, you can log in to eAPRIN using your institutional account.

To use this means of access, you will first need to link your accounts. Once you have completed the linkage process, you will be able to log in to eAPRIN simply by selecting your institution on "GakuNin Log-in page" of eAPRIN, as long as you are logged in to the institutional authentication system.

Once you have linked your accounts, you will no longer be able to log in to eAPRIN using your eAPRIN username (ID) and password. If you subsequently need to log in to eAPRIN again using your eAPRIN username (ID) and password (for example, if you will no longer be able to log in via the institutional authentication system because you are leaving the university), you will need to cancel the link between your accounts. If you wish to cancel the link between your accounts, please ask the grade administrator to do so.

5.1 Linking Your Institutional Account to Your eAPRIN Account

Access the log-in page for single sign-on users (GakuNin Log-in page) via the internal portal site of your institution. Choose your institution from the drop-down menu under “Log in with my institutional account” and then click the [Login] button.

所属機関の学内認証システムでログイン
(Log in with my institutional account)

Login with:

Select the Home Organisation you are affiliated with

Remember selection for this web browser session.

ログインできない方は、通常のeAPRINログインページからログインしてください。 (詳細)
If you cannot log in, please log in from [eAPRIN log-in page](#). (Details)

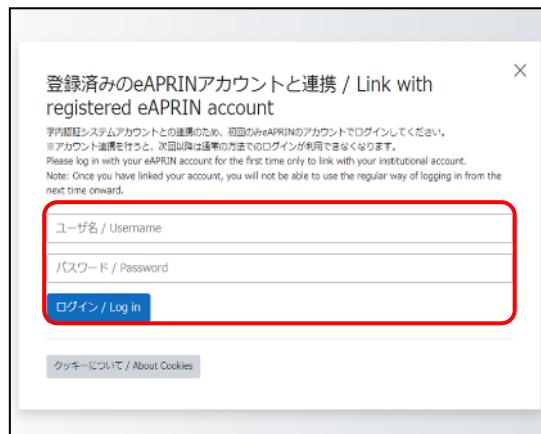

If an error occurs and you are unable to proceed, the following may be the cause of the problem:

- A) The institution you belong to is not linked to eAPRIN via single sign-on (GakuNin authorization)
- B) The account cannot use the single sign-on (GakuNin authorization) linkage

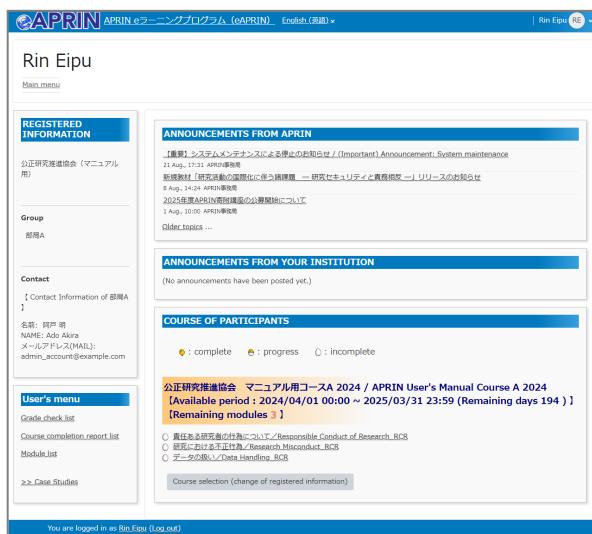

In this case, the account cannot be linked. Please log in from the ordinary eAPRIN Log-in page (<https://edu.aprin.or.jp/>).

If you are not logged in to your institutional authentication system, the login page for your institutional authentication system will then be displayed. Log in using your institutional account.

The “Link with registered eAPRIN account” page will be displayed. Enter your **eAPRIN username (ID) and password**, then click the [Log in] button.

The [eAPRIN main menu](#) will be displayed. This completes the linkage process.

If this is the first time that you are logging in to eAPRIN, the initial settings page will be displayed. Refer to [1.2 Things to Check at the First Login](#) to configure the settings.

5.2 Logging in to eAPRIN Using Your Institutional Account

Once you have completed the linkage process (see [5.1 Linking Your Institutional Account to Your eAPRIN Account](#)), you will be able to log in to eAPRIN as follows.

Access the log-in page for single sign-on users (GakuNin Log-in page) via the internal portal site of your institution. Choose your institution from the drop-down menu under “Log in with my institutional account” and then click the [Login] button.

If you are not logged in to your institutional authentication system, the login page for your institutional authentication system will be displayed. Log in using your institutional account.

The eAPRIN main menu will be displayed.
